

**COMMUNIQUE from the OHSIG to all Stakeholders**

OHSIG meeting held on:	9 May 2007
Items discussed	<p><b>Cocktail evening</b> – this was hugely successful with attendees from the DOL and the University of Auckland School of Nursing as well as OHSIG stakeholders.</p> <p><b>Increased profile-</b> Following on from the cocktail evening is the increased profile that the OHSIG is receiving with Ruth Dyson, the Honourable associate Minister of Labour, as well as ACC. It is indicative that we are gaining traction when the National Workplace H&amp;S committee is referencing the OHSIG frequently in their forums.</p> <p><b>Open letter</b> – the OHSIG has made the first draft of an open letter to be sent to key members of the government. The object of this is to demonstrate our support to the WHSS and to table issues.</p> <p><b>Serious Harm definition revision</b> - a reminder that all stakeholders need to submit their submissions promptly.</p> <p><b>Auckland DHB conference</b> – the OHSIG have been invited to present at this conference in October and the abstract has been sent.</p>
